

Letter from the President

Dear CMAA Houston Chapter Members and Friends,

It's been a unique year for us all, but we have demonstrated time and again that together we can address, adapt, and solve all the challenges placed before us. We have an exciting and busy 2021 planned so please check out the website at www.cmaahouston.org for updates on industry Speakers discussing topics that interest us all. We have numerous speakers already lined up from NASA, Design Build Institute of America, City of Houston, area County leaders, Texas A&M University, and other area leaders desiring to reach out and share their knowledge and expertise.

Our executive Board members and Chairpersons will be reaching out to you to visit and inquire how we may better serve the CMAA Houston Chapter. This year we have changed our monthly meeting format to be a monthly lunch meeting which will be located in the Laredo Meeting Room at Cadillac Bar and Grill located at 1802 Shepherd Drive, Houston, TX 77007. Check the website for details.

The newly elected Board members and Chairpersons would like to thank Mr. David Doran, P.E., CCM, for stepping up and providing leadership to the Chapter as President for the past eight years! David gave his time, knowledge and energy to the Chapter and we all appreciate his sacrifice and sense of duty.

We hope you take time as we close 2020 and reflect with friends and family about a challenging year as most of us would agree, but we do have hope that the upcoming year will be better for us all. The Chapter has adopted the slogan, "2021: Safer.Stronger.Smarter". We are encouraged and optimistic that we live in an incredible resilient area of the country. The Southeast Texas Gulf Coast has endured major challenges in the past and we have always demonstrated our resilient nature. Our diversity and dedication to facing obstacles are demonstrated time and time again. Here's to an exciting and rewarding upcoming 2021. I looking forward to working with each of you to continue to make our community and southeast Texas the best place to live.

Have a wonderful Christmas and Holiday to all our friends of many faiths and backgrounds.

Best wishes,

Mike
